

Type 2 Recycled Water General Permit for Direct Reuse

AUGUST 2020

USER GUIDE

myDEQ - Type 2 Recycled Water GP for Direct Use

WHAT IS myDEQ?

myDEQ is Arizona Department of Environmental Quality's (ADEQ's) new online web portal, designed to assist customers in meeting their environmental priorities and responsibilities. Upon creating an account, customers will be able to view their permits online and submit compliance reports as well as obtain new permits.

How do I get a myDEQ account?

Step 1: Register your Responsible Corporate Officer (RCO) online

Step 2: Sign, notarize and return the Subscriber Agreement/Signature Agreement (emailed by ADEQ upon completion of registration form)

Step 3: Set up your new myDEQ account (link emailed after ADEQ receives agreement from Step 2)

Register for an account today! | [Go to myDEQ Registration Form >](#)

HELPFUL TOOLS

myDEQ Tool Tips: Not sure what something means? Click on this icon “

Need Help? The  button found in the top right is an easy way to access myDEQ support if any errors occur while you are trying to finish the application.

Time Out Warning: myDEQ does not have a “SAVE” option at this time (coming soon). After more than 20 mins of non-activity on a screen, the portal will time out and you will have to start over.

Web Browsers myDEQ works best in Firefox and Google Chrome. Internet Explorer is not recommended due to compatibility issues.
